Dear Mr. Ninemire,

Thank you for the opportunity to review and respond to your Preliminary Program Review Report of September 25, 2017. I am the designated Green River College official to respond to the Department of Education's findings and required actions.

We appreciate the thoroughness of the review by the team and their professionalism. We reviewed the report and made corrective actions. Attached you will find the College's detailed response to the report and actions taken since November of 2015 in our efforts to be in compliance.
