### Prerequisites:

**To apply:** 15 credits of prerequisite coursework with a 2.5 cum. GPA.

**To begin the program, the following must be complete:**
- Anatomy & Physiology (AP) 1
- Anatomy & Physiology (AP) 2
- English Composition
- Eligible for Elementary Algebra
- Math cont.: Any math 100 level or above or Bus E 110 or BA 145 or ACOMP 100N and eligible for Math 072
- Speech Communication

### You Must...
- complete prerequisites with a 2.0 grade or better (no exceptions). You must have a 2.5 cumulative GPA to apply to the program.
- have 15 credits prerequisite coursework completed to apply to the program.
- have all the prerequisites completed to begin the program (courses listed to the left).
- be responsible for knowing the requirements of your funding source (regarding credit load, grades, etc.).
- make an appointment to see your advisor every quarter (this is separate from your “registration access time” which means your records are open for registration activity. Your registration appointment is not an appointment with an advisor).
- apply to the program (dates will be specified on the application).
- read the program information guide for details regarding acceptance into the program, as well as other pertinent information.
