### Job Placement

- **Placement Rate**
  - If there is no requirement by the State or an accreditor to calculate a placement rate for either the institution as a whole or for the specific GE Program, the institution does not need to disclose a placement rate. The National Center for Education Statistics (NCES) is currently developing a methodology that will be used to calculate placement rates for GE Programs. When the NCES methodology becomes available, Green River will use it to calculate a GE Program’s placement rate.
