Green River recognizes that many students learn traditional college course content in non-traditional ways. To accommodate those students who seek traditional credit for informal learning experiences by taking the CLEP Examinations, the college has established criteria and procedures for granting credit for the CLEP exams. In all cases, the division responsible for the instruction of the specific course will evaluate each examination and recommend to the registrar whether or not credit will be awarded for a specific class. Please consult Enrollment Services or the Assessment and Testing Center for more information on the tests, credit possibilities, criteria, and procedures.
