

Five Reasons to Make an Appointment with a Career Planner

<p>Not sure about what interests you?</p>	<p>A lot of people, young or old, know what they do not like but have trouble knowing what they do like. At the CAC, there are numerous career interest assessments you can take on-line that may be helpful. Make an appointment with a Career Planner and find out which assessment would be better suited for your needs.</p>
<p>Too many Interests?</p>	<p>Do you have a lot of interests but are not sure which one to choose? Are you putting off making a decision because you're afraid you will make the wrong one and miss out on something better? Make an appointment with a Career Planner who can help you begin to prioritize your options and make an informed decision.</p>
<p>NOT interested in transferring to a 4 year school?</p>	<p>Green River offers a number of one- and two- year programs that may qualify you for living-wage jobs. Some programs include: Automotive, Aviation, Design Drafting, Occupational Therapy, Practical Nursing and Welding that do not require a 4 year degree. Set up an appointment with a Career Planner to see what program might be a good match for you.</p>
<p>Unsure what program of study or major to pursue?</p>	<p>Do you get excited when you think about working as a (fill in the blank) but are not sure what academic program will get you there? Make an appointment with a career planner to discuss academic programs related to your job of choice and methods for obtaining job experience to make that resume stand out!</p>
<p>Do not know what job you can get with your program of study/major?</p>	<p>Can't figure out what jobs you can get with a major in -----? Not all majors like "Accounting" have clear paths to jobs, so what can one do with an English or History major? Make an appointment with a career planner to brainstorm about jobs and careers that will utilize both your education and <u>who you are.</u></p>
