The following information is provided in compliance with the federal Student-Right-to-Know (SRTK) and Campus Security Act of 1990 (Public Law 101-542), which requires all institutions of higher education to disclose information about retention, graduation and transfer-out rates to all current and prospective students.

**First-to-Second Year Retention**

Retention rates measure the percentage of First-Time, Degree-Seeking Students who began their studies in Fall 2012 and Re-enrolled or Graduated by Fall 2013.

This cohort represents 19% of the students who enrolled at Green River Community College (Green River) for the first time during Fall 2012.

These data exclude: continuing students as well as students who attended Green River to gain new job skills, upgrade job skills, improve basic skills, maintain licenses, complete credits for high school and/or to formulate career interests. Also excluded are those who attended for personal enrichment.

Graduation and Transfer-out Rates

Graduation and Transfer-out Rates measure the percentage of First-Time, Full-Time, Degree-Seeking Students who began their studies in Fall 2010 and Graduated or Transferred-out by Spring 2014.

This cohort represents 20% of the students who enrolled at Green River for the first time during Fall 2010.

These data exclude: continuing students as well as students who attended Green River to gain new job skills, upgrade job skills, improve basic skills, maintain licenses, complete credits for high school and/or to formulate career interests. Also excluded are those who attended for personal enrichment.
