

Policy Type: Instructional  
Policy Title: Classrooms: Food and Drink  
Policy Number: IN-03

---

**Purpose:**

To preserve the instructional integrity and cleanliness of the classrooms and reduce maintenance costs. To safeguard equipment (such as computer equipment) and furnishings from spillage.

**Scope:**

All campus

**Definitions:**

**Policy or Procedure:**

The instructor of a course will determine if food and drink will be allowed in instructional spaces.

In any circumstance, any food or drink that is disruptive to the classroom atmosphere or operations or is in any way destructive to the furniture or equipment will not be allowed. The instructor will make this determination.
