**Electives or Areas of Specialization**

14-16

Any ECE, Edec or Educ class numbered 100 or higher

**Areas of Specialization include:**

- Child Development Associates (CDA)
- Montessori Teaching
- Infant/Toddler Care Giving
- Center Management
- School-age Programs
- Family Child Care

**Electives or Areas of Specialization**

- Any ECE, Edec, or Educ class numbered 100 or higher. Students wishing to specialize in Montessori Education may take the Montessori practicum: ECE 181, 182, and 256 instead of ECE 103, 104, 103.1, 104.1, 214 and 215 for a total of 12 credits.
- Any combination of ECE 103, 103.1, 104, 104.1, 181, 182, 210, 214, 215, 256 and Educ 210 may be taken to satisfy practicum classes for this certificate.
- Educ 210 may substitute for 103 and 104 (6 credits of practicum), or maybe used as an elective.
- Students may substitute Educ& 115 Child Development for Educ 110.1 and 110.2
