The Associate in Fine Arts degree in Art is generally pursued by students who plan to transfer to a four-year university. This degree offers students a broad foundation in advanced education or a career in art.

A portfolio highlighting the student's best work completed at Green River Community College, emphasizing originality, facility, and exploration is highly recommended.

To earn this degree, students must complete a minimum of 90-91 quarter credits in courses numbered 100 or higher (from approved distribution list below) and meet specific distribution requirements.
