**Notes:**

1. You must maintain a minimum overall GPA of 2.0. This minimum may not meet the entrance requirements at four-year colleges.
2. Some majors at four-year colleges have special requirements. It is your responsibility to know these. Consult an Educational Planner or faculty advisor for assistance in identifying or researching specific majors’ requirements.

---

1. Northwest University (NU) and Walla Walla College require that the second English composition class be a writing class.
2. NU requires Cultural Anthropology and does not accept a course in the sociology discipline as a substitute. Students may be admitted to the BSN program without Cultural Anthropology if they agree to complete the course at NU in the summer prior to the junior year.
3. UW Seattle and Seattle University (SU) require 10 credits in quantitative/symbolic reasoning with the additional class in college algebra or pre-calculus (at UW Seattle, a class in Logic also serves for the additional class).
4. WSU requires a human diversity course. See WSU “Diversity Course Identification Guidelines” or choose courses that include minority, non-western, ethnic or other “area” studies.
5. NU requires 2 credits in Genetics. Students may be admitted to the BSN without Genetics if they agree to complete the course at NU in the summer prior to the junior year. SU requires a minimum GPA of 3.0 for 3 out of the 7 courses or 2.8 for 4 out of 7.
