

Green River College International Applicant Portal

Here is how it works:

Applicants will receive the following email after the application is submitted through GRC website. Follow the steps in the email to activate your account.

Hello, Sample.

Thank you for applying to Green River College.

Please upload the required documents and view the progress of your application on your GRC International Applicant Portal.

Your Applicant Portal is based on your application. Follow the steps below to activate your account.

Step 1: Go to the [Registration Page](#)

Step 2: Use the name and email you see below to activate your account:

- First Name: Sample
- Last Name: Student
- Email: hqaderi2011@hotmail.com

Step 3: Check your email and click the link to verify your login and set your password

Save your user ID and password!

Log in to your [International Applicant Portal](#) to view updates to your application.

If you need help, please email us at interational@greenriver.edu.

We are excited to work with you!

Green River College
International Admissions Team

1. Registration Page:

Applicants will need their first name, last name and email (provided in the welcome email) to sign up to the portal.

To create your Green River International Applicant Portal User, please use your first name, last name, and email that you used to submit your application.

Sign Up

2. Login Page:

Enter the email you have used to submit your application and the password you just created.

Welcome to your International Applicant Portal.
Log in to view the status of your application and to upload application documents.

[Forgot your password?](#) [New User Register Here](#)

3. Applicant Portal:

This is the page applicants will see when they log in to the portal. Applicants will need to upload all the missing documents through the portal. The admissions team at GRC will review all submitted documents and mark the check list items completed.
