

Greetings!

Thank you for submitting your unofficial high school transcript for Green River's College Signing Day placement evaluation. After reviewing the information, we have given you placement eligibility (or placement assessment recommendation) for the following:

-ENGL:

-MATH:

(If you are eligible for a college-level math course, the math class you will take will be based on your program of study. We recommend connecting with a Green River advisor before enrolling in a math class)

Please note, you will be able to sign up for eligible classes during Green River's College Signing Day event in May.

Taking the Placement Assessment

If we are not able to use your high school transcript for English and/or math placement, then your option is to take our **FREE** placement assessment. Visit www.greenriver.edu/assessments for more information. This site will have the instructions to launch the College Success Reading Assessment and the WAMAP Math Assessment as well as information for the WAMAP Practice Test. It is **HIGHLY** recommended that you take the practice test before you take the WAMAP. Please reach out to the Placement & Testing Center at (253) 288-3449 or email testingcenter@greenriver.edu if you have questions about the assessments.

Please do not hesitate to reach out to us if you have questions about your placement.

If you have questions relating to College Signing Day, email Kristin Bulala at kbulala@greenriver.edu.

Best,
