

Hey [First Name],

Congratulations! You're now a part of Green River College's **Grad to Gator Program**. As a participant of the Program, you'll be working with GRC Recruitment, Placement, Advising and Financial Aid staff throughout this winter and spring as well as the opportunity for priority registration for Fall 2023 classes during College Signing Day this May. Please visit our [Grad to Gator Website](#) if you want more information!

You'll get updates to this email address about workshop session reminders, financial aid, and ctcLink student accounts periodically.

What do I do now?

- ☐ **Submit your GRC admissions application by _____** if you haven't done so already
- ☐ Once you've submitted your GRC Application, wait for your Admissions Email that contains your ctcLink ID number (usually arrives 7-10 days after you submit your application)
- ☐ With your ctcLink ID number, **activate your ctcLink account**. Follow the Activation directions on our [ctcLink Resources for Students](#) Webpage.
- ☐ **Mark your Calendars! Your Placement and Pre-Advising Session has been scheduled for: [Placement and Pre-Advising Date] at [High School Name] (if the date changes, we will let you know).**

Please do not hesitate to reply to this email if you have any questions about the Grad to Gator Program or about Green River College!
