

Summer 2017

---

## Commercial Helicopter Pilot Option

### Associate in Applied Science Degree

95 Credits

Students should have received their helicopter private pilot's license before they begin the Green River College Commercial Helicopter Pilot Degree program. Students must have received the private pilot's license before they will be allowed to take any flight classes in the degree program. The degree prepares students for entry level jobs as commercial helicopter pilots. Flight programs require a commitment from students. Gaps in training should be avoided at all costs. Students should plan on flying at least twice per week. The academic schedule can be found at [www.greenriver.edu](http://www.greenriver.edu). Students may enter the program at the beginning of any quarter and must possess a valid 2nd class medical (1st class preferred for students pursuing an ATP certificate) certificate prior to commencing flight training. These medical certificates are issued by Federal Aviation Administration designated medical examiners. In addition, all students must meet the requirements of the FAA under CFR Title 14, Part 61.123.

The student will be responsible for attending the scheduled flight lesson. Any missed appointments will be handled individually per the flight school's policies. Students who fail a flight course due to poor attendance will not be allowed to retake the course. Any cancellations beyond the control of the student and flight school (i.e. weather, aircraft mechanical problems) will be discussed with Green River's faculty to determine if any violation of policies has occurred.

If a student is unable to complete the class within the academic schedule for the registered quarter as shown in the published class schedule, the student must bring this problem to the attention of the flight school staff and Green River's faculty, as this may affect future funding for subsequent classes. If student is found not progressing at a normal rate, a meeting between the flight school instructor and Green River's faculty will occur to determine the cause of the problem and possible solution. Student will be expected to address any possible problems regarding flight training with Green River's faculty as soon as possible. Cancellations must be made in advance of the scheduled time. Students will make every effort to cancel flight and ground lessons per the respective flight school's policy. No-shows will result in the aircraft and/or flight instructor being released 15 minutes into the scheduled time. The student will be responsible for the cost of the lesson scheduled.

The student will have to complete the class within the academic schedule for the quarter in which the student registers. The student must complete this class satisfactorily before he/she can sign up subsequent flight classes in the degree program. Each flight class can be failed once, in the event the student fails two flight classes resulting in two "F's," he/she will no longer be allowed to continue in the flight program.

In the case where a student gets an "I," the "incomplete" can only be carried over for thirty days, after which if the course requirements are not completed, the "incomplete" will become an "F". Per the Veteran's Administration, an "Incomplete" is only given in the case of weather and mechanical cancellations.

Incompletes may also be given for extreme circumstances, other than weather and mechanicals, and maybe considered on a case by case basis. Final grades for the flight class will be based on the individual class grading policies stated in the class syllabus.

Summer 2017

Dept./No.	Course Title	Credits
A SIM 216	Basic Instrument Flight Simulations	2
A SIM 218	Commercial Pilot Flight Simulations	1
AVIA 103	Aviation History and Careers	5
AVIA 110	Airline Operation	5
AVIA 112	Aircraft Systems	5
AVIA 123	Aviation Weather	5
AVIA 211	Aerodynamics for Pilots	5
AVIA 212	Aviation Safety and Human Factors-	5
AVIA 216	Basic Instrument Pilot Ground School	5
AVIA 218	Commercial Pilot Ground School	5
AVIA 265	Airline Dispatch	10
# AVIA 270	Air Traffic Control Fundamentals	5
# CMST& 210 or	Interpersonal Communications or	
CMST& 220 or	Public Speaking or	
CMST& 230	Small Group Communication	5
# ENGL& 101 or	English Composition I or	
ENGL 126 or	Writing: Humanities or	
ENGL 127 or	Writing: Social Sciences or	
ENGL 128	Research Writing: Science/Engineering/Business	5
# MATH 106 or	Essentials of PreCalculus I or	
MATH& 107 or	Math in Society or	
MATH 108 or	Contemporary Math for Information Technology or	
MATH& 141 or higher	PreCalculus I or higher	5
Natural Science	Any Natural Science course 100 level or higher with a lab	5

**Students must choose 17 credits from the following list:**

FLT 261	Instrument Pilot Helicopter Flight 1	2
FLT 262	Instrument Pilot Helicopter Flight 2	2
FLT 263	Instrument Pilot Helicopter Flight 3	1
FLT 271	Commercial Pilot Helicopter Flight 1	2
FLT 272	Commercial Pilot Helicopter Flight 2	2
FLT 273	Commercial Pilot Helicopter Flight 3	1
FLT 281	Instructor Pilot Helicopter Flight 1	2
FLT 282	Instructor Pilot Helicopter Flight 2	2
FLT 291	Instrument Instructor Pilot Helicopter Flight 1	2
FLT 292	Instrument Instructor Pilot Helicopter Flight 2	1

# Satisfies related instruction requirements.
