

Summer 2017

Carpentry Technology– Exterior Finish Level 1
Certificate of Proficiency
10 Credits

This certificate programs offers students the basic skills and knowledge required to find employment with specialty or general contractors whose focus is exterior finish. Students develop skills in applying various types of roof covering and materials, various types of siding and related trim pieces, and basic deck construction. In addition, students learn portable power tool usage designed specialty for exterior trim, as well as exterior material knowledge and specifications.
