OVERVIEW

Nursing is a dynamic field with many career paths available. They work in a variety of settings, including clinics, hospitals, long-term care facilities, and community centers. The Practical Nursing Program consists of 105 credits, which includes classroom instruction, campus lab practice, and community lab experiences. Upon successful completion of the program, graduates are eligible to apply for the National Council Licensure Examination for Practical Nurses. Passage of this exam is the mechanism by which to receive a license to practice as an LPN. This document is available in alternative formats to individuals with disabilities by contacting Disability Support Services at 253-833-9111, ext. 2631; TTY 253-288-3359; or by email at dss@greenriver.edu. Green River College is an equal opportunity educator and employer. Learn more at www.greenriver.edu/accessibility

ELIGIBILITY TO APPLY- MUST BE FULLY COMPLETE

- Apply to Green River College: [https://www.greenriver.edu/students/academics/getting-started/](https://www.greenriver.edu/students/academics/getting-started/). Once an application is submitted, a Green River Student identification (ID) number will be issued through the applicants Green River email.
- Color copy of valid photo ID that includes driver’s license or any state-issued photo ID.
- Complete the Kaplan Nursing School Entrance Exam during the application period with or without accommodation (opens the end of March) with a score of 67% or higher. You are allowed to repeat the test one time (must wait 30 days before retesting) to improve the score. Refer to page 5
- Complete the required prerequisite courses with a 2.5 (B-) GPA or higher. Refer to page 2
- Attend a Required Admission Meeting before applying. This will be different from the Information Sessions put on by advising staff. The dates of these meetings can be found at [https://www.greenriver.edu/students/academics/degrees-programs/nursing/practical-nursing/important-dates/](https://www.greenriver.edu/students/academics/degrees-programs/nursing/practical-nursing/important-dates/). Be prepared to write a short essay and complete up to five math calculations at the meeting with or without accommodation.
- Must be Healthcare Provider BLS card certified by the American Heart Association (AHA BLS) to apply. Please note that this is different from the standard CPR and can take up to 1 week to complete. It is your responsibility to maintain current AHA BLS certification throughout the program. Refer to page 5
- Successfully complete the background and drug screening paperwork- DO NOT RUN BACKGROUND CHECK OR TAKE THE DRUG SCREENING AT THIS TIME. Refer to pages 5-6
- Submit copies of up to date immunization test, can take up to 8 months to complete. Refer to pages 4-5
- Personal health insurance (Provide a copy of your medical insurance card).
- Resume- Submit a 1-page resume describing the specific activities and responsibilities of your experiences – don’t just list them. The font size needs to be 12 point Arial or Times New Roman with 1-inch margins across the page.
- Submit official transcript(s) from every college or university (except Green River College), that you have taken any of the prerequisites at refer to pages 2 & 7. Transcript evaluations can take up to 6-8 weeks to be reviewed. If you have transcripts sent, it MUST stay in the original sealed envelope unopened.

Applications will be accepted beginning 5/24/19 & must be received by 4:00 pm on 06/24/2019. (NO email applications will be accepted)

Applicants will be notified of acceptance into the program during the week of 7/22/2019. Admitted students and the top 10-waitlisted applicants are required to attend a mandatory orientation held 08/08/19, in SC 137. Those who fail to attend forfeit their seat to the next applicant on the waitlist.
EVALUATION & SCORING

Prerequisite courses
Applicants must complete the following prerequisites before admission into the program. One course may be in progress during the summer at the time of application. Most prerequisite courses must be taken within seven years of starting the Practical Nursing Program. Applicants must have a minimum grade of a 2.5 (B-) in each prerequisite to be eligible to apply. For the following prerequisites, students are limited to two repeat courses TOTAL within 5 years with only one repeat per course. Repeat policy includes all grades below 2.5 (B-) from all colleges attended. Repeated course(s), withdrawals, pending prerequisite, and inconsistent academic performance may make your application less competitive, but you are still welcome to apply.

All classes require a grade of 2.5 remember this is the minimum

*The two-quarter sequence of A&P must be taken at the 200 level and from the same college.

Scoring
Applications will be evaluated for minimum eligibility and then ranked based on the four categories listed below with an opportunity for an additional 10% bonus points as described. Each category is carefully considered and valuable in the application process. Final admission to the program depends on the results of the following: prerequisites, essay, Kaplan test, resume, pending Washington State Patrol, Healthcare agency and National background checks.

1. Prerequisite / Competitive GPA (40% of application score): After grades for any in-progress courses are received, the GPA for prerequisite courses will be calculated. One course may be in progress during the summer at the time of application

2. Kaplan Test (40% of application score): Completion of Kaplan Admissions Test, which consists of 91 questions that evaluate basic reading, math, writing, and science skills of students seeking entry into a nursing program. Refer to page 5

3. Essay (15% of application score): During an admission meeting, complete a 1-hour timed essay about your interest in nursing. You will also be required to complete some math equations as well.

4. Resume (5% of application score): Submit a 1-page resume describing the specific activities and responsibilities of your experiences – don’t just list them. The font size needs to be 12 points Arial or Times New Roman with 1-inch margins across the page.
5. Bonus Points, if applicable for the following: Refer to page 7
5% for having one of the following: CNA, NA-C, NA-R, MA, or HCA by enclosing a copy of your most recent professional certification or license (current or expired) in your application. An additional 5% will be given if you complete the CNA from Green River College

FUNDING OPTIONS

Workforce Education: https://www.greenriver.edu/students/academics/workforce/

Workforce Education programs provide financial support to help connect students with a path into a high-demand, high wage career. If eligible, Workforce Education Grants may provide funding for tuition, books, childcare, transportation, and specialized tools/equipment. Students must meet with a Workforce Education Coordinator to determine eligibility.

Grants and Scholarships: Please refer to the Green River College website for funding options.
FAFSA: https://www.greenriver.edu/students/pay-for-college/financial-aid/
Green River Foundation Scholarships: https://www.greenrivercollegefoundation.org/applynow
Washington State Scholarship: https://www.greenrivercollegefoundation.org/scholarships/otherfunding

NOTIFICATION & MANDATORY ORIENTATION

Students assume all responsibility for reviewing and following instructions. There will be no exceptions to the admission process. Applications will be accepted beginning May 24, 2019, and must be received no later than 4:00 pm on June 24, 2019. Late or incomplete requests will be denied. Applicants will be notified of acceptance into the program during the week of July 22, 2019.

The notification will be done through your Green River student email. Some may only receive conditional acceptance if any of the following apply: in the process of taking prerequisites, pending Washington State Patrol, Healthcare agency and National background checks. Admitted students and the top 10-waitlisted applicants are required to attend a mandatory orientation held August 8, 2019, in SC 137. Those who fail to attend forfeit their seat to the next applicant on the waitlist. Mail or hand deliver the application in a 9 x 12-inch envelope to:

Green River College
Enrollment Services
C/o: Admission/Practical Nursing Application
12401 SE 320th St.
Auburn, WA. 98092-3622
SIGNATURE- Please initial the following

By indicating below, I verify that this application packet for the Practical Nursing Program is accurate and has been completed to the best of my knowledge. I at this moment authorize Green River College to perform criminal background checks, maintain the record(s) until I graduate or withdraw from the program, and share the information as requested by clinical sites. **Any questionable things in my past can prevent me from completing clinical and therefore, without clinical I cannot complete this program.** I understand that I may request a reasonable accommodation to meet the standards.

1. I activated my Green River student email and will be checking it regularly. __________ Initial
2. Successfully pass a drug screen/test and will be fingerprinted for fieldwork placement. __________ Initial
3. I read the **disqualifying factor** located on [Green River College Nursing website](https://www.greenriver.edu/students/academics/degrees-programs/nursing/practical-nursing/application/immunization/) __________ Initial

Name: __________________________________________ Green River Student ID: ____________________
Signature: ____________________________________________________________________________ Date: __________
Green River Email: ______________________________________________________________________ Phone: ______________
Current Email: __________________________________________________________________________

**INCLUDE THE FOLLOWING PAGES IN YOUR APPLICATIONS:** 4 and 6-7

**IMMUNIZATIONS & ADDITIONAL INFORMATION**

**Required immunizations and tests:** In order to participate in the Community Lab/clinical courses, students need to have all of the immunizations and tests completed. **Documentation must be from a healthcare provider and include signature, credentials, and date (mm/dd/yyyy).** Can take up to 8 months to complete. Please refer to [https://www.greenriver.edu/students/academics/degrees-programs/nursing/practical-nursing/application/immunization/](https://www.greenriver.edu/students/academics/degrees-programs/nursing/practical-nursing/application/immunization/) for directions.

**Tuberculin Status [PPD(TB)]:** Must have a place & reading with dates 4 total

If no records or more than 12 months since last Two-Step TST, a Two-Step TST must be done before enrollment in the program. The 2-step process is explained as follows:

- First visit: Get the TB shot (make sure you get documentation for this – date and signature).
- Second visit: Two days after visit #1 you go back to get the TB Test Reading (results) – this should be given in millimeters (mm), which will determine whether the test is positive or negative.
- Third visit: No sooner than one week after visit #1 (1st TB shot), no later than two weeks after visit #1. You will get the whole process done over again. This visit you get your 2nd TB shot.
- Fourth (final) visit: Two days after visit #3 you will get the 2nd TB shot reading. Again, you need documentation stating the results in millimeters (mm) and whether the effect is positive or negative.

**Note of Caution:** **Do not make the mistake of thinking that because a standard TB Test has 2 components (TB shot and TB reading) that it will fulfill the 2-Step TB Test requirement.** You must have 2 separate TB Tests. The tests must be done within the proper timeframe.

If an applicant has a medically documented history of prior BCG vaccine, an IGRA test will need to be obtained. If the results are positive, they will be required to get a clear chest x-ray and provide a negative symptom check from a healthcare provider. (IGRA should be drawn on the same day as live-virus vaccines or 4-6 weeks after administration of live-virus vaccines.)
Students with a history of positive TB results must provide proof of a clear chest x-ray and submit an annual negative symptom check from a healthcare provider.

**Hepatitis B:** The Hepatitis B vaccination is a series of 3 intramuscular injections completed at appropriate time intervals (1 and 6 months after the initial dose) and a post-vaccination titer (blood draw) at 6-8 weeks after the series completion. If the titer is negative, then the series is repeated, and another titer is drawn 6-8 weeks after the completion of the second series. This vaccination can be obtained through your healthcare provider.

Students may also provide documentation of a positive titer (anti-HBs or HepB Sab) or sign a vaccination declination. However, specific healthcare institutions may require vaccination without exception; alternate clinical rotation arrangements will not be made. Can take up to 8 months to complete

**Tetanus, diphtheria, pertussis (Tdap):** Must have one Adult dose of Pertussis (Tdap) after age 18. And a Tdap or Td within 10 years.

**Measles (rubeola), Mumps, & Rubella:** Proof of vaccination (2 doses at appropriate intervals) or proof of immunity by titer, showing resistance to all three.

**Varicella (Chickenpox):** Proof of vaccination (2 doses at appropriate intervals) or proof of immunity by titer

**Flu:** Season Flu vaccination is required for community clinics. Many clinical sites need it, and Green River College will not attempt to locate an alternative location. (Offered end of August typically for the season)

**Medical Insurance:** Provide a copy of your medical insurance card.

**Liability Insurance:** Purchase insurance during the first week of the quarter from Green River College’s.

**Healthcare provider CPR:** All applicants must be Healthcare Provider BLS card certified by the American Heart Association (AHA BLS) to apply. Please note that this is different from the standard CPR commonly offered. It is the student’s responsibility to maintain current AHA BLS certification throughout the program. Failure to do so will result in failure to progress in the program. [https://cpr.heart.org/AHAEC/CPRAndECC/Training/HealthcareProfessional/BasicLifeSupportBLS/UCM_473189_Basic-Life-Support-BLS.jsp](https://cpr.heart.org/AHAEC/CPRAndECC/Training/HealthcareProfessional/BasicLifeSupportBLS/UCM_473189_Basic-Life-Support-BLS.jsp)

**KAPLAN:** Kaplan Admissions Test is a tool to determine if students have the academic skills necessary to perform effectively in a school of nursing. The test will take 4 hours to complete, and you can take the test starting March 25, 2019, through June 21, 2019, with or without accommodation for the Fall 2019 application and you must attain a minimum of 67%. For testing information, please visit the Assessment and Testing Center at [https://www.greenriver.edu/students/academics/degrees-programs/nursing/practical-nursing/application/testing/](https://www.greenriver.edu/students/academics/degrees-programs/nursing/practical-nursing/application/testing/)

**Drug screening:** All students will be required to submit a drug screen after acceptance into the program and before attending community clinical. The student will be provided with the name and location of an authorized agency who will conduct the screening. The student is responsible for all costs associated with the drug screening. If the screen comes back ineligible, a medical review may be done for an additional fee (some RX drugs will cause a positive drug screen). If a student fails to produce the requested sample by the date and time designated, the student will be ineligible.

**Employment as an NA-C or Other Healthcare Professional (OPTIONAL):** If an applicant has been employed as a Certified Nursing Assistant (NA-C or NA-R), Medical Assistant (MA), Health Care Assistant (HCA). If the applicant has worked as an NA-C, they must also include a copy of their license as well and fill out the bottom of page 7.
Accommodations

Candidates for the Practical Nursing Program are required to certify that these standards have been provided to them. Applicants who need accommodations to meet standards may request accommodations. Eligibility for accommodations are identified through the Disability Support Services office. Additional information about requesting accommodation is available at greenriver.edu/DSS.

BACKGROUND CHECKS

Background check- All background checks must be completed and turned in with your application. Do not pay to run the background check. We will contact you when it is appropriate for us to run a background test. Clinical fieldwork is integrated throughout the program and is required for all students. Placement can occur but is not limited to, the following settings: long-term care, rehabilitation care, outpatient clinics, school districts, pediatric clinics, hospitals, and home health. A criminal background limits or prevents Community Lab/clinical placement and employability. If you have cause for concern regarding criminal history outcome or any charges related to vulnerable populations (i.e., children, vulnerable adults), contact the Department of the Health https://www.doh.wa.gov/ to receive clarification about the background as it pertains to license. Final admission to the program is dependent upon the results of this background check. See Washington State DSHS Secretary’s List of Crimes and Negative Actions).

CHILD/ADULT ABUSE INFORMATION ACT
RCW 43.43.830 THROUGH 43.43.845

All students who will be placed in practicum education sites for Green River College's health occupation programs are requested to complete the below Washington State Patrol Abuse Clearance section. The purpose of this abuse clearance is to assure the safety and well-being of patients, clients, and children who come into contact with students. Practicum education sites are expecting that Green River students will not pose undue risks to the safety of patients/children.

The Washington State Patrol, abuse clearance request, is for the following:
“Child/Adult Abuse Information: Response limited to convictions against children or other persons, dependency proceedings, abuse of vulnerable adults, and DOL disciplinary board final decisions and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision.” Please be aware that information on other felony and misdemeanor convictions may be reported from the state patrol office. This abuse clearance is used only for the purpose of practicum education placement, determination and further dissemination or use of the record is prohibited.

As stated earlier, all students are required to complete this form. Any student choosing not to complete this process must be aware that the ability of faculty to arrange practicum education experiences will be severely restricted and in some instances impossible. A large number of facilities (all of them for LPN) require proof of this clearance before students are allowed to participate in any practicum activities.

I have read and understood this information about the Washington State Patrol Abuse Clearance.
