CLASS TYPE DEFINITION

As you view the class schedule, you’ll see classes are designated in one of three ways: virtual, hybrid/virtual, or online. The following definitions explain how each type of course will be delivered:

• VIRTUAL: Class will meet online at the time listed in the class schedule. For example, if your class begins at 9 a.m. in the class schedule, then it will begin at 9 a.m. on Zoom. You will be attending the class at the same time as your classmates, just as you would on campus.

• HYBRID/VIRTUAL: Part of the class will be held online without a set time to attend. The other part will occur at the time listed in a virtual format (e.g. Zoom).

• ONLINE: The entire class will be held online without a set time to attend. The class will still have assignment deadlines and due dates.

January 6th Select Committee Hearings Work: A Year Later

Tuesday, January 10th
Auburn Center 230 with Richard Elfers

Member Rate: $29.00 (25202)
General Public: $49.00 (25479)

It’s certain that the hearings have had an enormous impact upon politics and government in the United States. Two years have now passed since the January 6th attempted coup. Find out the impact of those hearings upon Americans like you and me.
### Memoirs Workshop

**Saturday, February 4th**  
*Auburn Main Campus West Building 109*  
*Member Rate: $39.00 (31279)*  
*General Public Rate: $59.00 (31286)*  

In this three-hour, short memoir workshop you will learn the basics of writing your stories in a compelling and creative way. Memoirs can easily become dry and factual. But the best memoirs pull the reader in by using the same elements used in fiction, such as descriptive writing, metaphor, conflict, tension, story arc and dialogue.  

In the workshop we will do writing prompts focused on these elements, as well as write an outline or rough draft of a short memoir. Feel free to bring in a work in progress or start a new piece of writing.

### Reading Circle

**Every Other Saturday from January 21st -March 4th**  
*Zoom*  
*Member Rate: $64.00 (31457)*  
*General Public Rate: $84.00 (31464)*  

This group will begin with some short story analysis, and choose a book to read for discussion in the other three weeks. The focus is to share the enjoyment of reading and discussing a work within a group setting. There will be some discussion of genres and things to look for when reading for discussion.

### China: A Country Amidst Great Change

**Tuesday, February 7th**  
*Auburn Center 230 with Richard Elfers*  
*Member Rate: $29.00 (25480)*  
*General Public: $49.00 (25481)*  

Because of its One-Child Policy and for other reasons, China's population has been predicted by the 2016 World Economic Forum to drop by 2050 to 700 million from the 1.4 billion it is today. Those changes will deeply affect China and the world, both economically and politically. Leader Xi Jinping has been purging government officials and business leaders for corruption while the Chinese housing market is in deep trouble. Hong Kong's democracy has been destroyed and Xi has been threatening Taiwan with an invasion. Understand how these and other factors represent major problems for China. Japan is rearming, while House Speaker Nancy Pelosi visited Taiwan in defiance of Chinese government protests and warnings.

### What's Going On in the Ukraine a Year Later

**Thursday, February 9th**  
*Auburn Center 230 with Richard Elfers*  
*Member Rate: $29.00 (25256)*  
*General Public: $49.00 (25482)*  

Vladimir Putin sent the Russian army to invade Ukraine on February 24th 2022. His plans haven't worked out as he has planned. Learn what changes have occurred and how this major European war has affected the United States and the rest of the world.

### Creative Ice Tour

**Tuesday, February 21st (8:15AM-11:30AM)**  
*Transportation provided from Auburn Center to Creative Ice in Kent*  
*Member Rate: $49.00 (25163)*  
*General Public: $69.00 (25752)*  

Join owner and operator of Creative Ice, Justin Cox, for a tour of his store front location in the heart of Kent. Discover how Justin and his family have been blending art with technology to create sculpture in its purest form for over three decades. Students will have the opportunity to view a sculpting demonstration at the end of the tour. The tour includes freezer, sculpting, and production areas; participants should bring a jacket and wear closed toe shoes.

WE ASKED JENÉE KRAMER ABOUT HER EXPERIENCE EARNING HER HR GENERALIST CERTIFICATE AT GREEN RIVER CE

What are the 3 most important things you learned?

“I learned the importance of networking and forming connections with those in the HR industry because you learn so much from others experiences. I learned to be open about exploring various areas of HR, I went in thinking I wanted to focus in one area but learned to love recruiting. Lastly, many areas of HR are intertwined so take-in ALL the knowledge and you can certainly apply it in all aspects.”

Why did you take this certificate?

“I was on maternity leave and thinking about my next steps in my career. There has always been a love and pull towards HR, I love processes, data and overall just working with people. I thought the HR Generalist certificate would help to solidify my interests and point me in the right direction.”

If you took it for job skills, how did it benefit you in your career?

“This benefited me to connect what I did in a previous HR role and helped me pick a focal point. I was able to better explain in an interview what I’ve done, what I’ve learned and what I want to do. I even said in my interview that I took this certification.”

If you could tell other students one thing about this class or certificate what would it be?

“Take it! It was really helpful for me and I ultimately found a great position in recruitment. I truly believe what I learned helped me to find my current position.”

Would you recommend it to a friend or co-worker?

“Absolutely, without hesitation.”

Anything else you want to say?

“A huge praise to the instructors for their expertise and advice! They were wonderful and this is a FANTASTIC program.”
Federal and State Employment Laws

Legal compliance is a critical task for Human Resources. Learn the basics of the federal and state employment laws that HR Generalists most often deal with, including Title VII, ADA, ADEA, FLSA, FMLA, OSHA and more. You will also identify the steps HR Generalists can take to keep themselves and their organizations out of trouble. Other topics include identifying and preventing sexual harassment and the difference between compliance and risk management approaches to employment laws. Fee: $139

Item: 24834 Stephanie King Zoom
Sessions: 2 Tu, Th Feb 7 – Feb 9 6 – 9PM

Compensation and Benefits

Compensation and benefit programs are key factors in attracting and retaining the right talent for your organization. They are also one of the highest costs of doing business and offer an opportunity for HR to make a valuable contribution to the organization’s bottom line. Learn about the different types of compensation systems, compliance with the FLSA and other employment laws, how to determine exempt versus non-exempt status and various benefits as part of a total compensation package. Fee: $139

Personal Interest

WE ASKED REIKI INSTRUCTOR AMBER WILLIAMS WHAT GOT HER INTERESTED IN REIKI:

For as long as I can remember, I have always asked the big questions pertaining to life, trying to understand the unspoken workings and magic of it all. When I was nine years old, my dad introduced me to the Star Wars trilogy. I instantly fell in love with the stories and the idea of “the force”; an invisible energy created by life connecting everything and the jedi’s who could tap into this energy.

Continuing my quest to find connection and meaning, this idea of the force continued to inspire my interests as I choose philosophy and religious studies for all my rec classes while I was in college for Social Work. It was around this time my mentor and dear friend asked me if I ever had heard of reiki. I was explaining to him how I could feel energy in my hands when I had intense emotions. I was instantly intrigued, as I have always longed for an answer to explain why I was able to sense things and feel so deeply.

I sought out the reiki training with my mom who had recently been diagnosed with lupus not knowing what to expect. When I received my first reiki session, I instantly felt I had found the explanation to all my questions that were always left unanswered. Leaving the class with excitement, I continued my training to the master level over the next couple of years.

Seeing how reiki substantially helped my mom and others dealing with chronic, acute or major issues mentally and physical, I felt an immense sense of purpose to teach anyone who is open to learning this amazing ability that is accessible to everyone.

So, what is reiki? Reiki is an ancient healing method that comes to us from Japan meaning “life force energy”. Yes, the force is real! This energy medicine technique promotes and accelerates healing, alleviates pain, reduces stress and stimulates relaxation. Reiki recipients have reported not only physical improvement, but also a better adaptation response to stress, depression, increased mood stability, improved sleeping patterns and decreased anxiety levels.

Reiki is not only offered in spas and clinics around the world, it is also being offered to over 800 hospitals in the US alone. In 2018 I was invited to speak as a panelist for reiki at the University of Washington's Doctor of Nursing program as they implement integrative therapies into the medical system. Many medical professionals are seeing the benefits of reiki as it compliments other therapies without any harmful side effects.

Reiki has a profound way of bringing mindfulness into everyday life by implementing self-awareness techniques. Empowering others to be able to tune in and access healing is one of the many reasons I am so passionate about teaching reiki. I am honored and excited to bring an Introduction to Reiki to Green River College this Winter to those who are looking to access the healing power of the force of life.

Introduction to Reiki
Reiki is an ancient healing method from Japan meaning “universal life energy,” and is performed by a certified practitioner. It is offered in spas, holistic centers and health care settings such as hospitals and clinics around the world. Reiki’s all-natural hands on/off holistic energy healing technique is believed to promote and accelerate healing, reduces stress, and alleviates pain. Reiki works not only on the physical body, but the mind and spirit, working to bring everything into balance. Recipients have reported not only physical improvement, but also a better adaptation response to stress, depression, increased mood stability, improved sleeping patterns and decreased anxiety levels. Due to the fact that you can do self-treatments and it integrates so well with all medical modalities, Reiki is highly sought after. A Journey into Wine Country: Wine Regions of the World
Travel the world in this five week wine adventure with 3rd generation winemaker Roland Viera right from your own living room. We will look at the geography of wine, the history of wine, and then travel to five different wine regions around the world over five weeks to further explore the elements that contribute to making a unique and quality wine for that region. At each stop we will focus on one or two wines from that region and learn about the unique terroir, the people, the culture, and the contributing elements of each that are necessary to produce a high-quality wine.

This class is the part of our Journey into Wine Country program. The wine program includes three consecutive classes offered in Spring, Summer and Fall terms. Each segment can be taken individually and in any order. Those who choose to complete all three classes will be eligible for a Certificate of Completion. This series is best suited for an audience of 21 or older. Fee: $99

### An Introduction to Voiceovers (Getting Started in Voice Acting)
One-on-One Video Conference Class
Wow, you have a great voice! Have you heard that more times than you can count? Or maybe you listen to your favorite audiobooks, commercials, or cartoon characters and think, I could do that! If so, then you could have what it takes to begin working as a professional Voiceover Artist. Explore the voiceover industry with your instructor, a professional, working voice actor from the voice acting training company, Voices For All, in a one-on-one, personalized, video chat setting. Discover the current trends in the industry and how they make it easy and affordable for just about anyone to get involved. In this one-time, 90-minute, introductory class, you’ll also learn about the different types of voiceovers and the tools you’ll need to find success. And then we’re rolling! Your instructor will record you as you read a real script, then offer you some coaching so you can improve your delivery. Your instructor will take notes on your performance so you can receive a professional voiceover evaluation later. After the class, you will have the knowledge necessary to help you decide if this is something you’d like to pursue. 18 and over. You owe it to yourself to finally explore the possibilities of this fun and rewarding field! Fee: $39
