CLASS TYPE DEFINITION

As you view the class schedule, you’ll see classes are designated in one of three ways: virtual, hybrid/virtual, or online. The following definitions explain the how each type of course will be delivered:

• VIRTUAL: Class will meet online at the time listed in the class schedule. For example, if your class begins at 9 a.m. in the class schedule, then it will begin at 9 a.m. on Zoom. You will be attending the class at the same time as your classmates, just as you would on campus.

• HYBRID/VIRTUAL: Part of the class will be held online without a set time to attend. The other part will occur at the time listed in a virtual format (e.g. Zoom).

• ONLINE: The entire class will be held online without a set time to attend. The class will still have assignment deadlines and due dates.

Payment is due upon registration. If you withdraw less than three business days before your first class, do not attend, or stop attending, you will not receive a refund. A full refund is given if the college cancels a class. Questions? Contact us at 253-333-6030.
