Note: Web registration function is not available after the third day of the quarter (second day for summer quarter) to add a class. Web registration is open for dropping classes through the eighth week of the quarter (fifth week for summer quarter). See Registration Calendar.

Registration access time
You may use Web Registration anytime on or after your scheduled access time, but not before. See Online Services for registration access time.

To register:
1. Go to greenriver.edu/online
2. Select Register for classes
3. Select Accept and proceed to online registration

Follow the instructions as they appear on the screen to register for the classes of your choice. You will be asked to enter the course item number. This is located to the far left of the class time listed in your class schedule. (See page 12 for example.)

If you are registering for a class that requires permission, instructions will automatically appear on the screen requiring you to enter an entry code.

Entry codes
These are five-digit numbers issued to you by the instructor of the class or by an advisor. They are used as authorization for classes requiring permission or prerequisite satisfaction. Once you have used an entry code, the computer will not accept it again.
To print class schedule
1. Go to greenriver.edu/online
2. Select Schedule viewer

Wait list for full classes – automated system

How do you get into a class that is full?
Entry codes will not allow you to bypass the wait list option and register yourself into a full class. The wait list process works as follows:

- Web or in-person registration will provide the option to wait list into a full class. All prerequisites must be met to be added to a wait list.
- You can add your name to three separate wait lists—an example would be math, English and chemistry.
- Cluster classes are moved from the wait list in the order the students were added.
- Review your schedule every few days via the Web to see if you have been added to the class.
- You are responsible for making sure your schedule is accurate by dropping any unwanted classes. Failure to do so will result in a 0.0 grade being posted to your transcript and possible additional tuition and fees.
- To remove your name from a wait list:
  1. Go to greenriver.edu/online
  2. Select Wait list manager
You may also stop by Enrollment Services to request that your name be removed.

- If you have not moved off the wait list and into the class by the first day of the quarter, you need to attend the first class session and identify yourself to the instructor.
- Attending the first class session will not guarantee admittance into the class.

Students are responsible for the accuracy of their class schedule. If you are registered for a class that you no longer plan to attend, withdraw from the class online or stop by Enrollment Services.

To pay tuition and fees online
1. Go to greenriver.edu/online
2. Select Make a payment
3. Enter SID and PIN (PIN not required to make payment.)
4. Select quarter
5. Enter account information
6. Enter credit card information
7. Once you select “Charge my account,” you are instructed to wait for a confirmation number, and then print the number for your records.

Please note that if the confirmation number does not come up, the charge did not go through.

Note: If using the STEP plan, first and second payments MUST be made in person at the Cashier’s Office. Final payment may be made at the Cashier’s Office or online with credit/debit card at greenriver.edu.

For questions on payment options or problems, please call the Cashier’s Office at 253-288-3399.

Residency Requirements, ext. 2500
The state of Washington has established specific criteria for students to qualify as residents for tuition paying purposes (references: RCW 28B.15 and WAC 250.18).
A resident student is one who is a U.S. citizen, or has permanent or temporary resident status, or holds "Refugee-Parolee" or "Conditional Entrant" status with the United States Immigration and Naturalization Service or is otherwise permanently residing in the United States under color of law; and be either:
1. Financially independent student:
   • Have established a bona fide domicile in the state of Washington primarily for purposes other than education for a period of one year immediately before the first day of the quarter for which they have registered at any institution; and
   • Be financially independent.
OR
2. Financially dependent student:
   Be a dependent student with one or both of their parents or legal guardians having maintained a bona fide domicile in the state of Washington for at least one year immediately before the first day of the quarter for which they have registered at any institution.
To apply for residency reclassification, students submit a residency questionnaire and provide the required documentation to Enrollment Services. Students may apply for residency reclassification through the 30th calendar day of the quarter. See residency questionnaire for complete details. Residency questionnaires are available online, in Enrollment Services; or by calling ext. 2500.
Note these additional points:
• Residence is not an equivalent of domicile only—must also provide documentation supporting student’s financial independent or dependent status.
• A student cannot qualify as a legal resident of Washington for tuition calculation purposes if she/he possesses a valid out-of-state driver’s license, vehicle registration, or other documents that give evidence of being legal resident in another state.
• The domicile of a minor is normally that of the parent or legally appointed guardian.
• International students attending Green River who have been issued an I-20 form are classified as non-resident regardless of length of residency in Washington state.

Nonresident Waiver
The Washington State Board for Community and Technical Colleges has authorized the colleges to waive a portion of the nonresident tuition rate for United States citizens and INS Permanent residents who have not met the above criteria for in-state residency. Green River honors this automatic waiver at the time student makes application to the college. The student pays the non-Washington resident tuition rate (see chart on page 4).

HB 1079 (Undocumented Person) Waiver
Effective July 1, 2003, Washington state law was changed, presumed undocumented students or non-immigrant visa holders who meet certain criteria are eligible for resident student status and resident tuition rates. To qualify, students who have resided in Washington state for three years immediately prior to receiving a high school diploma and completed the full senior year at a Washington high school or completed the equivalent of a high diploma in Washington State, and complete an affidavit promising to apply for permanent residency in the United States at the earliest possible opportunity and indicating a willingness to engage in activities necessary to acquire citizenship.

Veteran Services, ext. 2466
Green River College is approved for Department of Veterans Affairs (VA) education benefits. Students who fit VA eligibility criteria may use their education benefits for most of our academic programs. An updated list of approved programs can be found on the VA’s website. Full-time enrollment for fall, winter, and spring quarters is 12 credits. Enrollment for summer terms is based on length of the term elected.
Certification for education benefits will be forwarded to the VA after proof of registration has been received by Veteran Services.
In-state and/or reduced tuition rates may be available to veterans and their spouse and/or dependents that meet specific state requirements. For more information please visit Enrollment Services with a copy of your DD 214 and your COE (Certificate of Eligibility).
Veterans may also be eligible for priority registration. Individuals must meet the established eligibility criteria and submit a copy of their DD 214 to Enrollment Services.

Withdrawal and Refund Policy
Credit classes
It is the student’s responsibility to withdraw from the college or from individual courses. Students must withdraw online or submit a withdrawal/change of schedule form to guarantee the accuracy of their permanent records and to begin refund procedures when applicable. The student may receive a refund under the following conditions:

Percentage of refund
100 percent refund of tuition and fees—When courses or programs are canceled by the college or when a student officially withdraws from class through the fifth instructional day of the quarter.
40 percent refund of tuition only—No fees will be refunded after the 100% refund period ends—When official withdrawal occurs after the fifth instructional day of the quarter through the end of the refund period (see next bullet).
No refunds—After the 15th calendar day of the quarter. The 15th calendar day is the end of the refund period.

Short-term classes—100% refund of tuition and fees when official withdrawal occurs prior to the first day of class only. Short-term classes are indicated by dates published with the class listing.

Refunds of less than $10 will not be made.

Appeals to the withdrawal policy must be submitted to the Enrollment Services Office in written form with supporting documents attached. Withdrawal appeals must be received by the Enrollment Services Office within one year of the quarter in question.

A separate refund policy applies to students receiving financial aid. Tuition refunds must be returned to the financial aid account and not to the student.

Withdrawal from classes online

Financial Aid:
Students may jeopardize their future financial aid eligibility by dropping classes. Please check with financial aid if you have questions.

International Students:
If you are an F-1 international student and you drop below 12 credits without permission, your SEVIS record and student status through Green River will end.

Running Start:
Withdrawing from class(es) can impact your high school graduation and continued program eligibility. You are responsible for communicating schedule changes with your high school.
