Intensive English Program

- Program prepares students for academic studies at a U.S. college or university
- Five levels, introductory to pre-academic
- Course content includes grammar, reading, writing and oral communication
- TOEFL preparation is also available
- Institutional paper based TOEFL offered at Green River every quarter
High School Completion

High School Diploma can help students get into top universities

- Take college classes and receive credit for both the Green River Associate’s Degree and Washington State High School Diploma*
- Required courses for high school diploma include U.S. History, Civics/Government and Biology
- Length of time to earn diploma varies depending on transcript evaluation and placement testing
- HSC Program for students who do not already have a high school diploma

*Depending on assessment and placement, student may need to take non-transferable, pre-college level classes first.
Degrees and Certificates

- Associate in Arts
- Associate in Science
- Associate in Business
- Certificates in a variety of subjects including:
  - International Business
  - Aviation
  - Broadcasting
  - Early Childhood Education
  - Physical Therapy
  - Speech Communication
  - Water Supply Technology
  - ... and over 75 more
College Experience

- Focuses on understanding the culture and expectations of the U.S. higher education system
- Students develop the skills necessary to achieve academic success in a college setting
- Required of all new students who have English proficiency and will be attending academic classes at Green River
- Class is three hours per week and is in addition to student’s regular academic class schedule
- Class is held the first five weeks of the quarter and will be scheduled the first or second quarter the student is at Green River
Foundation for Success

- Required for all new students during their first quarter
- Focuses on supporting academic and social success
- Students attend weekly workshop with mentors and program staff
- Topics include student life, personal health & safety, effective decision making and time management
