## INSTRUCTIONS

If you wish to enroll for more than the maximum credits allowed for your program, you must complete the Petition: Override Maximum Credit Load form and obtain signatures from your advisor/educational planner. You must have a minimum cumulative GPA (grade point average) of 3.0 for your request to be granted. Submit the petition along with a registration form to the Registration office.

If you are employed full-time, consider taking a reduced course load. Seek guidance from your advisor/educational planner.

If you are heavily involved in extracurricular activities, you may want to limit yourself to a 12 credit-hour load. Twelve credits is the normal requirement for eligibility in the activity program at Green River and the Northwest Athletic Association of Community Colleges.
