Parent Plus Loan Conditions

- The U.S. Department of Education is the lender for the **Federal Direct PLUS Loans**. The parent PLUS loan is in the parent's name only, and the parent is responsible for payments, not the student. The parent borrower must be the biological or adoptive parent (or, in some cases, the step-parent) of the student for whom you are borrowing. If the step-parent is the applicant, the step-parent's information must be on the FAFSA. The PLUS borrower's credit will be checked before a credit decision is made by the Department of Education. The Department of Education will notify me in writing of the results. PLUS Loan borrowers with credit appeals or endorser questions may call 1-800-557-7394 for assistance.
- The student must be a dependent student and enrolled at least half-time, taking six or more eligible credits toward an eligible program, and meeting the satisfactory academic policy requirements.
- As required for PLUS loans, my student and I are US citizens or eligible noncitizens. Neither one of us owes a refund on any federal education grant or loan. We are not in default on any federal loan, or we have made satisfactory arrangements to repay any defaulted federal loan, and we must meet the eligibility requirements for Federal Student Aid programs.
- PLUS funds are to be used only for expenses related to my student's education at Green River College. I give GRC authorization to apply loan proceeds received electronically to my student's account to pay outstanding tuition/fees.
- I may cancel all or a part of my loan by informing GRC in writing within 14 days after the date my school sends me a disbursement notice, or by the first day of the school's payment period, whichever is later.

After tuition and fees are paid, please disburse my PLUS loan balance as follows: **(CHECK ONE)**

- Pay the student's tuition/fees and disburse any remainder to the student (recommended).
- Pay the student's tuition and order a check to be mailed to the parent borrower.

I certify that the information I have provided on this form is complete and accurate to the best of my knowledge.
