All are Welcome at Green River College

GRC is a vaccinated college and will operate in a hybrid model for Fall 2021, with increased in-person instruction and expanded student services throughout the 2021-2022 academic year, while continuing to offer remote instruction and online student services.

ALL ARE WELCOME TO GREEN RIVER COLLEGE, REGARDLESS OF YOUR VACCINATION STATUS.

» Students and employees will need to verify that they have been fully vaccinated unless they are claiming a medical, religious, or philosophical exemption.

» Students and employees who have verified that they are fully vaccinated are not required to wear a face covering on campus. Anyone who is visiting campus, is not fully vaccinated, or has not verified their vaccination status must wear a face covering at all times while at any GRC location.

» Individuals who are vaccinated but would still like to wear a face covering are encouraged to do so.

The College strongly encourages all members of our Gator community—students, staff and faculty—to get vaccinated as soon as possible to protect the health and safety of all. If you have not yet received the COVID-19 vaccine, a list of vaccination sites and available appointments are found here: https://vaccinelocator.doh.wa.gov.

The GRC Phased Reopening Plan for Summer & Fall 2021 is available at https://www.greenriver.edu/coronavirus.

This is an evolving situation, and updates are available from the Washington State Department of Health, the Centers for Disease Control and Prevention (CDC), including updated Travel Notices for countries with community transmission, and King County Department of Public Health.

REMOTE LEARNING ITEMS YOU CAN CHECK OUT

Students must request laptops, webcams, and Wi-Fi hotspots through Student Success. Email ssuccess@greenriver.edu. They will direct requests to the library. For details visit https://LibGuides.greenriver.edu/Technology/Laptops

Fall–class type definition

FALL–CLASS TYPE DEFINITION
While we are hoping to return to our regular schedule of instruction, we are also planning for all possible outcomes. Classes for this quarter are designated in these five ways:

MODALITIES WITH A FACE-TO-FACE COMPONENT
Face-to-Face: Class times are listed in the schedule. Classes will meet in a face-to-face format on campus. Based on the state’s response to COVID-19, these courses may shift to virtual, online, or hybrid/virtual using Zoom. Your instructor will let you know prior to the start of fall quarter via your GRC email and Canvas dashboard.

Hybrid: Part of the class will occur in a face-to-face format on campus at the time listed in the class schedule. The other part will be held online without a set time to attend.

If on-campus instruction is not yet allowed by fall quarter, then the face-to-face part of the course will switch to online or virtual using Zoom or other virtual format.
Your instructor will let you know prior to the start of fall quarter via your GRC email and Canvas dashboard.

MODALITIES WITH NO FACE TO FACE COMPONENT
Completely Virtual: Class will meet online at the time listed in the class schedule. For example, if your class begins at 9 a.m. in the class schedule, then it will begin at 9 a.m. on Zoom. You will be attending the class at the same time as your classmates, just as you would on campus.

Virtual Hybrid: Part of the class will be held online without a set time to attend. The other part will occur at the time listed in a virtual format (e.g. Zoom). Your instructor will let you know prior to the start of fall quarter via your GRC email and Canvas dashboard.

Online: The entire class will be held online without a set time to attend. The class will still have assignment deadlines and due dates.

Note: If, due to the state’s response to COVID 19, the teaching modality listed in the class schedule changes before the start of fall quarter, students will be notified by their instructor as soon as possible.

### Student Financial Obligations

All outstanding amounts resulting from nonpayment of tuition and fees are the responsibility of the student. Withdrawal from school, officially or unofficially, will not cancel any financial obligation already incurred. Failure to pay all financial obligations may result in debts being turned over to a collection agency. Collection fees, including attorney fees and other charges necessary for the collection of any amount due, will be added to the student's account balance. Students who default on any financial obligations to Green River College are responsible for collection fees, attorney fees, court fees, and other reasonable costs and expenses incurred in the collection of any debt, in accordance with RCW 28B.10.293 and RCW 19.16.500.

Waitlist for full classes – automated system

How do you get into a class
that is full?
Entry codes will not allow you to by-pass the waitlist
option and register yourself into a full class. The waitlist
process works as follows:

• Web or in-person registration will provide the option
to waitlist into a full class. All prerequisites must be
met to be added to a waitlist.

• You can add your name to three separate waitlists—an example would be math, English and chemistry.

• Cluster classes are moved from the waitlist in the
order the students were added.

• Review your schedule every few days via the Web to
see if you have been added to the class.

• You are responsible for making sure your schedule
is accurate by dropping any unwanted classes. Failure
to do so will result in a 0.0 grade being posted to your
transcript and possible additional tuition and fees.

• To remove your name from a waitlist:
1. Go to greenriver.edu/online
2. Select Waitlist manager

You may also stop by Admissions and Registration to
request that your name be removed.

• If you have not moved off the waitlist and into the
class by the first day of the quarter, you need to
attend the first class session and identify yourself
to the instructor.

• Attending the first class session will not guarantee
admittance into the class.

Students are responsible for the accuracy of their class
schedule. If you are registered for a class that you no longer
plan to attend, withdraw from the class online or stop by
Admissions and Registration.

Residency Requirements, 253-288-3383
The state of Washington has established specific criteria for students to qualify as residents for tuition paying purposes (references: RCW 28B.15 and WAC 250.18).

A resident student is one who is a U.S. citizen, or has permanent or temporary resident status, or holds "Refugee-Parolee" or "Conditional Entrant" status with the United States Immigration and Naturalization Service or is otherwise permanently residing in the United States under color of law; and be either:

1. Financially independent student:
   - Have established a bona fide domicile in the state of Washington primarily for purposes other than education for a period of one year immediately before the first day of the quarter for which they have registered at any institution; and
   - Be financially independent.

OR

2. Financially dependent student:
   - Be a dependent student with one or both of their parents or legal guardians having maintained a bona fide domicile in the state of Washington for at least one year immediately before the first day of the quarter for which they have registered at any institution.

To apply for residency reclassification, students submit a residency questionnaire and provide the required documentation to the Office of the Registrar. Students may apply for residency reclassification through the 30th calendar day of the quarter. See residency questionnaire for complete details. Residency questionnaires are available online, in the Office of the Registrar, or by calling 253-288-3383.

Note these additional points:

- Residence is not an equivalent of domicile; must also provide documentation supporting student’s financial independent or dependent status.
- A student cannot qualify as a legal resident of Washington for tuition calculation purposes if she/he possesses a valid out-of-state driver’s license, vehicle registration, or other documents that give evidence of being a legal resident in another state.
- The domicile of a minor is normally that of the parent or legally appointed guardian.
- International students attending Green River who have been issued an I-20 form are classified as non-resident regardless of length of residency in Washington state.

Nonresident Waiver
The Washington State Board for Community and Technical Colleges has authorized the colleges to waive a portion of the nonresident tuition rate for United States citizens and INS Permanent residents who have not met the above criteria for in-state residency. Green River honors this automatic waiver at the time a student makes application to the college. The student pays the non-Washington resident tuition rate (see chart on page 4).

HB 1079 (Undocumented Person) Waiver
Effective July 1, 2003, Washington state law was changed, presumed undocumented students or non-immigrant visa holders who meet certain criteria are eligible for resident student status and resident tuition rates. To qualify, students who have resided in Washington state for three years immediately prior to receiving a high school diploma and completed the full senior year at a Washington high school or completed the equivalent of a high diploma in Washington State, and complete an affidavit promising to apply for permanent residency in the United States at the earliest possible opportunity and indicating a willingness to engage in activities necessary to acquire citizenship.

Veteran Services, 253-288-3452
Green River College is approved for Department of Veterans Affairs (VA) education benefits. Students who fit VA eligibility criteria may use their education benefits for most of our academic programs. An updated list of approved programs can be found on the VA’s website. Full-time enrollment for fall, winter, and spring quarters is 12 credits. Enrollment for Fall terms is based on length of the term elected.

Certification for education benefits will be forwarded to the VA after proof of registration has been received by Veteran Services.

In-state and/or reduced tuition rates may be available to veterans and their spouse and/or dependents that meet specific state requirements. For more information please visit the Office of the Registrar with a copy of your DD 214 and your COE (Certificate of Eligibility).

Veterans may also be eligible for priority registration. Individuals must meet the established eligibility criteria and admit a copy of their DD 214 to the Office of the Registrar.

Withdrawal and Refund Rules
Credit classes
Tuition refunds must be
Percentage of refund
100 percent refund of tuition and fees—When courses or programs are canceled by the college or when a student officially withdraws from class through the fifth instructional day of the quarter.
40 percent refund of tuition only (No fees will be refunded after the 100% refund period ends)—When official withdrawal occurs during the fifth instructional day of the quarter through the end of the refund period (see next bullet).
No refunds—After the 15th calendar day of the quarter. The 15th calendar day is the end of the refund period.
Short-term classes—100% refund of tuition and fees when official withdrawal occurs prior to the first day of class only. Short-term classes are indicated by dates published with the class listing.
Refunds of less than $10 will not be made.

Appeals to the withdrawal policy must be submitted to the Office of the Registrar in written form with supporting documents attached.
Withdrawal appeals must be received within one year of the quarter in question.
A separate refund policy applies to students receiving financial aid. Tuition refunds must be returned to the financial aid account and not to the student. A separate refund policy applies to students receiving Military Tuition Assistance (TA).

Veteran Services
Students may jeopardize their future financial aid eligibility by dropping classes. Please check with financial aid if you have questions.

International Students:
If you are an F-1 international student and you drop below 12 credits without permission, your SEVIS record and student status through Green River will end.

Running Start:
Withdrawing from class(es) can impact your high school graduation and continued program eligibility. You are responsible for communicating schedule changes with your high school.

CLASS TYPE DEFINITION
As you view the class schedule, you’ll see classes are designated in one of three ways: virtual, hybrid/virtual, or online. The following definitions explain the how each type of course will be delivered:

• VIRTUAL: Class will meet online at the time listed in the class schedule. For example, if your class begins at 9 a.m. in the class schedule, then it will begin at 9 a.m. on Zoom. You will be attending the class at the same time as your classmates, just as you would on campus.

• VIRTUAL HYBRID: Part of the class will be held online without a set time to attend. The other part will occur at the time listed in a virtual format (e.g. Zoom).

• ONLINE: The entire class will be held online without a set time to attend. The class will still have assignment deadlines and due dates.
