→ **CERTIFICATION AND CONDITIONS OF AWARD**
Must print and sign before submitting. Forms without signatures will be disregarded.

I understand that:

- I must enroll in a program of study that leads to an approved degree or certificate at Green River College and the classes I take must be required for that program. I cannot use financial aid for high school completion, Adult Basic Education, Continuing Education or English for Speakers of Other Languages classes.
- I must maintain satisfactory academic progress in order to obtain and continue financial aid funding. This policy is explained in detail in a separate brochure and on the Financial Aid website.
- I can be considered for financial aid eligibility during the equivalent of my first nine full-time quarters of attempted credits of 100 level or higher (150% program time). This period includes transfer credits. Program changes can result in the immediate loss of eligibility if the program cannot be completed in the allowed financial aid timeframe. Students enrolled in a Bachelor's degree are eligible for additional quarters of aid.
- I am responsible for repaying all or part of my grants as well as any federal tuition refund in excess of the college's own refund policy should I withdraw or stop attending classes during the quarter. Students who default on any financial obligations to Green River College are responsible for collection agency fees, attorney fees, court fees, and other reasonable costs and expenses incurred in the collection of any debt, in accordance with RCW 28B.10.293 and RCW 19.16.500.
- If awarded Federal Work-Study, a job is not guaranteed. After an orientation session, I will be placed on payroll at the time I submit my last required form if a space on the payroll remains available.
- I must agree to use state or federal financial aid funds for educational expenses related to my attendance at Green River College (tuition and fees, books and supplies, room and board, personal expenses, child care and transportation - excluding the purchase of a car).
- To be eligible for financial aid, I must not owe a refund or repayment on a state or federal grant and not be in default on a student loan.
- Green River College reserves the right to adjust your financial aid because of changes in state or federal funding. A financial aid award does not imply a commitment on the part of the college to continue assistance beyond the time period stated in the award.
- I will notify the Financial Aid Office of any changes in name, address or marital status, or the receipt of agency funding or other scholarships outside of the college.
- I must reapply for financial aid each year and adhere to the annual application deadlines.
- To receive a Washington State Need Grant, I must (a) be a resident of Washington State in accordance with RCW 28B.15.012(2) (a) through (d).; (b) be registered for 3 or more credits; (c) be making satisfactory progress toward my degree or certificate (not in theology); (d) not owe a refund or repayment on a state or federal grant; (e) and not be in default on a student loan. You can make voluntary future contributions to the Higher Education Coordinating Board in recognition of the State Need Grant to be used to provide assistance to other students.
- If I deliberately falsify, misrepresent or fail to fully disclose information on my financial aid application, I can be terminated from all financial aid for a year. If I receive funds based on misrepresented information, I will be required to repay the funds and may be reported to the U.S. Department of Education Investigation Division for possible fraud.
