Appeal Information

The Financial Aid Office uses information from a student's FAFSA or WASFA application to create an initial financial aid package. We understand this information may not reflect your family's financial circumstances. We have created this form to address those circumstances. Please follow the instructions to provide our office with more information. It is helpful if you wait to submit an appeal until after you have received a financial aid award letter. We email letters to students who have submitted all their documents required for verification on a rolling basis (depending on when your financial aid file was completed) beginning in May. We will notify the student at their Green River College email account of any changes made to their award. It is important to know that not all appeals will result in a change to the student's aid eligibility.
