

## What to expect at the Tutoring and Resource Center

### About our center:

- All Tutors have been trained in the best ways to help students learn.
- All tutors have successfully completed the coursework they support.
- Tutoring sessions will be 15-20 minutes; extended time may be available depending on demand.
- All GRC students are welcome! (If we are not supporting your course, we will help you to find what you need.)
- Everyone, tutors, and students, should be treated with respect.

### Students should:

- Focus on learning in their tutoring session.
- Be ready to participate in various learning activities.
- Try to be well prepared. Tutoring is not a substitute for attending class, taking notes and/or doing homework on your own.

### Rules:

- Help us create a welcoming and comfortable center for studying. **Treat everyone with respect.**
- We are invested in your success and want to help you learn, so **do not expect the tutor to check homework answers or to do the work for you.**
- Service is first-come, first-served, so **taking turns is required.**
