

**GREEN RIVER COLLEGE
CERTIFICATE OF PROFICIENCY
CARPENTRY TECHNOLOGY
RESIDENTIAL INTERIOR AND EXTERIOR FINISH**

24 Credits

This certificate prepares the student with the basic skills and knowledge required to find employment with specialty or general contractors whose focus is either Exterior or Interior finishes. The student will have developed skills in installing various exterior siding and trim, basic deck design and construction, steel stud framing, drywall installation and finishing, installing interior doors and other related interior trim pieces. Additionally, the student will have proficient skills in portable and stationary woodworking tools, as well as material knowledge and specifications. This certificate also meets two of the six CEATT (Carpenters Employers Apprenticeship Training Trust) Preferred Enrollment and Advance Placement requirements.
