

Summer 2017

Associate in Pre-Nursing Degree (AFA)
Direct Transfer Agreement/Major Related Program (APreN-DTA/MRP)

Minimum of 90-91 Credits

The Associate in Pre-Nursing degree is general pursued by students who plan to transfer to a four-year college or university at the junior level to a Bachelor of Science in Nursing Program (BSN). Four-year schools accepting Pre-Nursing Transfer degree include Seattle University, Seattle Pacific University, University of Washington-Seattle, Washington State University, Pacific Lutheran University, Northwest University and Walla Walla University. This degree is designed to meet the distribution requirements at universities in Washington State, by fulfilling the general requirements taken by freshmen and sophomores.

To earn this degree, students must complete a minimum of 90-91-quarter credits in courses numbered 100 or higher (from approved distribution list below) and meet specific distribution requirements. No more than 25 percent of credit requirements may be taken on a pass/no-credit basis. Students should be aware that courses with "Pass" grades may not satisfy the requirements in their major field. Students must attain a cumulative GPA of 2.0 and earn a minimum of 24 credits at Green River College.

Students are responsible for knowing transfer requirements and policies, as well as specific course choices and GPA requirements, and are urged to consult the catalog of the institution for which they plan to transfer.

- NOTES:**
- Students must maintain a minimum overall GPA of 2.0. This minimum may not meet the entrance requirements at a four-year college.
  - Some majors at a four-year college have special requirements. It is the student's responsibility to know these. Consult an Educational Planner or your Faculty Advisor for assistance in identifying or researching specific major requirements.

<sup>1</sup> Northwest University (NU) and Walla Walla College require that the second English composition class be a research writing class.  
<sup>2</sup> NU requires Cultural Anthropology and does not accept a course in the sociology discipline as a substitute. Students may be admitted to the BSN program without Cultural Anthropology if they agree to complete the course at NU in the summer prior to the junior year.  
<sup>3</sup> UW Seattle and Seattle University (SU) require 10 credits in quantitative/symbolic reasoning with the additional class in college algebra or pre-calculus (at UW Seattle, a class in Logic also serves for the additional class).  
<sup>4</sup> WSU requires a human diversity course. See WSU "Diversity Course Identification Guidelines" or choose courses that include minority, non-western, ethnic or other "area" studies.  
<sup>5</sup> NU requires 2 credits in Genetics. Students may be admitted to the BSN without Genetics if they agree to complete the course at NU in the summer prior to the junior year. SU requires a minimum GPA of 3.0 for 3 out of the 7 courses or 2.8 for 4 out of 7.
