

**GREEN RIVER COLLEGE  
CONCENTRATION OF STUDY  
GLOBAL STUDIES**

**35-40 Credits**

The Global Studies Concentration enables students to achieve an informed engagement with the world through a cross-disciplinary and comparative curriculum. Students will achieve this goal by taking courses which meet the program’s four core competencies:

- career-oriented skills
- foreign language proficiency
- intercultural competence
- professional skills and service leadership.

The program offers multiple courses across a variety of areas which help to satisfy: a Direct Transfer Agreement (DTA) degree, an Associate of Science-Transfer (AS-T) degree (Tracks I and II), an Associate of Applied Science Transfer (AAS-T) degree, as well as meet a number of the general education requirements required for an undergraduate degree [Bachelor of Arts (B.A.) and Bachelor of Science (B.S.) degrees].

Students may choose to complete this concentration of study and have it posted to their transcript **ONLY** when the student successfully completes the Associate in Arts-Direct Transfer Agreement (AA-DTA) degree. Otherwise courses taken will transfer to four year universities on a course by course basis only.

Students are urged to consult with their Green River advisor to plan their programs of study. Students are also urged to consult with a representative from the university they plan to attend.
