

## GRC OCCUPATIONAL THERAPY ASSISTANT PROGRAM OPTIONS

### Prerequisite Classes Required Before Entering Program:

1. Bio&175  
OR  
Biology &241  
OR  
Anatomy and Physiology103
2. English &101
3. Any 5 credit CMST course
4. MATH 070 or higher or Instructor Permission

<b>HYBRID EVENING PROGRAM</b>	<b>TRADITIONAL PROGRAM TRACK</b>
<p style="text-align: center;"><b>Curriculum Design</b></p> <ul style="list-style-type: none"> <li>• Designed for students who need more flexibility in the day hours</li> <li>• Courses are offered throughout the week with occasional Saturday intensive labs or community service work. Ideally students come to campus 2-3 times per week in the evening dependent on scheduling of courses and how instruction is delivered.</li> <li>• Students must be self-directed, computer literate, and have ready access to computer technology to use on-line course delivery method</li> <li>• Level I and Level 2 fieldwork required involving day-time clinic observations and may include weekends,</li> <li>• Program demands align with part time employment</li> <li>• Nine (9) quarters in length</li> <li>• Program is developmental in design where students must finish foundational classes in program before entering application academic practice classes</li> </ul>	<p style="text-align: center;"><b>Curriculum Design</b></p> <ul style="list-style-type: none"> <li>• Designed for students who are free to attend full-time day classes Monday through Friday, with some early evening courses. An occasional Saturday may be expected to allow for community service work.</li> <li>• For those who desire a structured program in a traditional classroom lecture/lab format.</li> <li>• Level I and Level 2 fieldwork required involving day-time clinic observations and may include weekends</li> <li>• Seven (7) quarters in length; quarters 6 and 7 consisting of full-time internship/fieldwork</li> <li>• Full time employment is not recommended</li> <li>• Program is developmental in design where students must finish foundational classes in program before entering application practice classes</li> </ul>
