International Baccalaureate Credit (IB)

The International Baccalaureate Program is a rigorous pre-college course of study for highly motivated high school students. The comprehensive curriculum is designed to prepare students for a liberal arts education at the college level.

Credit is awarded for International Baccalaureate (IB) “Standard Level” (SL) and "Higher Level" (HL) examinations with scores of 4, 5, 6, or 7. Students interested in transferring to a four-year university should check the requirements of their target school to determine the best way to use their IB exam credits.

Contact the IB Organization to request that an official IB transcript be sent directly to Green River College.
