Intended Program	Transfer College/University
------------------	-----------------------------

If you're not aiming to earn a degree or certificate at GRC, you usually can't get financial aid. But if you're taking GRC classes to get into a specific program at GRC or another college, you might qualify for a Direct Stafford Loan or a Parent PLUS loan.

With the preparatory coursework agreement, the US Department of Education allows students to:

- Get federal loans for only **one consecutive 12-month period**. (You might need to show paperwork from other schools saying you've never gotten this loan before)
- Get a certain amount of federal loans, depending on what you're studying. Look at the table below for specific amounts:

Preparatory Coursework Borrowing Limits

In preparation for a...	Dependent Students	Independent Students
Undergraduate Degree/Certificate	Subsidized/Unsubsidized: \$2,625	Subsidized/Unsubsidized: \$ 2,625
		Add'l Unsubsidized: \$ 6,000
		Total: \$ 8,625
Graduate/Professional Degree	Subsidized/Unsubsidized: \$5,500	Subsidized/Unsubsidized: \$ 5,500
		Add'l Unsubsidized: \$ 6,000
		Total: \$11,500

Under the preparatory coursework agreement, the US Department of Education does NOT allow the student:

- To receive any federal grant or work-study funding.
- To receive loans for preparatory coursework courses taken for the purpose of raising the GPA.
- To receive loans from more than one college during the same period of enrollment.

Student's Agreement and Self-Certification:

- **With this form, I'll give the Financial Aid Office information showing the classes I need to get into the program I want at the school I'm planning to go to.** (You can usually find this info on the program's website)
- **I will have a Green River College advisor complete the academic plan on page 2 of this form.**
- I'll be in school at least half the time each quarter (which means taking at least 6 credit hours) in classes I need to get into the program I want.
- I'll keep up with Green River's [Satisfactory Academic Progress policy](#) about doing well in my classes so I can keep getting the loan
- I'll take the classes my GRC advisor put on the plan on page 2.

I want to apply for a Federal Direct Loan to help pay for my preparatory classes. I have read and understood all the information on this form, and I agree to follow the terms and conditions. I know that if I get this loan for preparatory classes, I have to pay it back on time and in full. I also certify that I have never gotten this kind of loan for prep classes before.

I have read and understood everything about the Preparatory Coursework Agreement. I know that the Financial Aid Office has to check everything before I can get this aid.
