

# How to Save Your Academic Plan from Navigate360 as a PDF

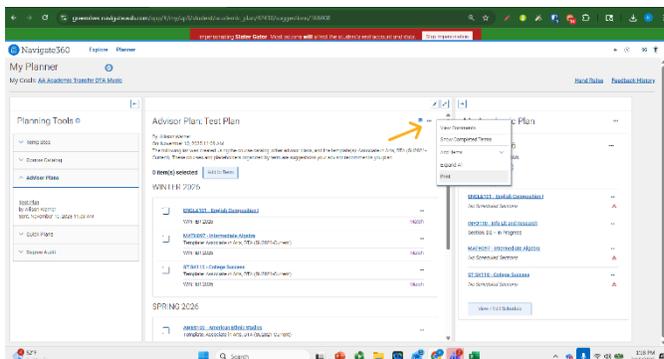

1. Log in to your Student Navigate360 account: [Navigate360](https://navigate360.com).
2. From your Home page, click on “Planner” in the top bar.

3. From the Planning Tools menu on the left, choose Advisor Plans and open the most recent plan you made with your advisor.

4. Click on the three dots in the upper right corner of your academic plan to open a drop-down menu. Choose “Print”.

- From the Print screen, choose “Save as PDF” as the destination, then click Save. Choose where you want to save the file on the device.
