WETRC Presents:  
Water Treatment Plant  
Operator 1 & 2  
Certification Exam Review

## Who Should Attend?

- ✓ Water system personnel preparing to take the Water Treatment Plant Operator (WTPO) Level 1 or 2 exam.

Note: You must apply to the Washington State Department of Health in advance for approval to take a certification examination.

For information about Water Works Operator Certification or to request an application, visit [www.doh.wa.gov](http://www.doh.wa.gov) or call the Washington State Department of Health at 800-525-2536.

## Workshop Description:

This is an interactive exam-preparation workshop for those preparing to take the WTPO 1 or 2 Exam. The workshop will include the following:

- ✓ Applied math, hydraulics and science refresher
- ✓ Principles of water treatment
- ✓ Practice answering mock exam questions referenced to ABC's Need-To-Know Criteria
- ✓ Identify strengths and pinpoint areas for further study.

## Major Topics Covered:

- ABC Need-to-Know Criteria
- Water Treatment Basics
- Exam Preparation

## Benefits of Attending:

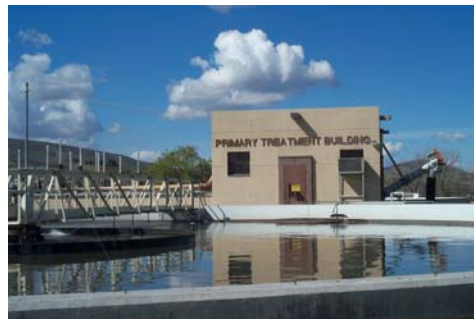

- Gain a better understanding of the Need-to-Know Criteria
- Improved ability to answer certification exam questions correctly

## Prerequisite:

Students registering for this class should have a basic understanding of water treatment and water systems.

## Suggested Course Prerequisites:

- Anatomy of a Water Treatment Plant
- Water Treatment Plant Basics

## Easy Online Registration!

[www.wetrc.org](http://www.wetrc.org)

## Registration fee includes:

- 1.4 CEU's
- Handouts
